WHO WE ARE

CPro Development Inc. is an Ohio based pipeline contracting company in business since 1997 covering projects in Ohio, Pennsylvania, West Virginia, Kentucky and Indiana. Our customers include but are not limited to Dominion East Ohio, Dominion Hope, Blue Racer Midstream, Aspire Energy, Consumers Gas Cooperative, Utility Pipeline Ltd., Knox Energy Cooperative, Pike Natural Gas Co., Eastern Natural Gas, Piedmont Gas Co., National Gas and Oil Co., Access Midstream and Enervest Operating.

We are fully operator qualified through Veriforce to install, pig and pressure test plastic and steel natural gas lines. We have a full fleet of directional drills, excavators and support equipment to complete a wide range of pipeline related projects. We are members of Veriforce and ISNETWORLD and maintain industry standard levels of liability insurance. As a company we maintain an industry leading safety program as well as environmental awareness training for all employees.
